The Complaint

Paula Williams died at the age of 64
Social Security number 357-58-1953, date of Birth 12/20/1940, address: 1900 Basswood Lane, Glendale Heights, IL 60139

Paula Williams was injected with Hepatitis C in 1991 at Central DuPage Hospital in Winfield, IL. She went in for the Surgery and came out 15 years later with a final Diagnosis in 2005 with Hepatitis C; therefore leading to Terminal Illness the later part of 2006 to Early 2008 with the hope of a "miracle pill called Tarcova" later pronounced deceased October 23, 2006.

I Shari R. Davis the Plaintiff is suing for Negligence on the part of the Blood suppliers (Product Liability) and the Negligence on the part of Central DuPage Hospital on the submission and improper Quality inspection of the Batch and Control of that isolated incidence; the Malpractice of the Physicians knowing that she (Paula Williams) had a steady Viral Blood Disease that eventually lead to Terminal Illness.
